MEMORANDUM FOR: Deputy Director of Administration
Associate Deputy Director for Operations for
Counterintelligence
Director, Security Evaluation Office

FROM: [redacted] Office of Congressional Affairs

25X1

SUBJECT: SSCI Hearings on Security and
Counterintelligence Issues

1. John Elliff, SSCI staff, informed me today that the Committee will hold hearings and receive formal testimony sometime in September on security and counterintelligence issues. Although Elliff said he could not provide any details yet, he indicated that the staff was recommending four separate hearings which would cover the following:

--One session on CIA's counterintelligence activities and problems [redacted]

25X1

--One session with the FBI on CI issues.

--One session on embassy security with particular focus on the Moscow embassy, the marine guards, and the new Security Evaluation Office.

-- One session on personnel security issues.

2. Letters are being sent to the DCI in about a month, but Elliff has promised to give me an advance set of all material as he puts it together. I will keep you informed.
